### Description

Micro Celebration Mix is a premier blend of our favorite microgreens and edible flowers. The mix was uniquely created with chefs in mind. A rainbow spectrum of vibrantly colored microgreens including cool, light & rich, dark greens, ignited with warm shades of red and an extra spark of color from our blossoms.

### Pairs well with

Soups and Salads, Sandwiches, Appetizers, Seafood and Meat.

### Example Dish

Young Lettuces with Crispy Skin Salmon, Almond, Shaved Radish, and Micro Celebration Mix.

### Sustainability & Food-Safety

Micro Celebration Mix is grown in a sustainable manner using an environmentally friendly biological crop-protection system.

Because Micro Celebration Mix is grown in a natural fiber instead of dirt, it satisfies hygiene standards in the kitchen.
